

Praise be to God, praise be to God, and thanks to Him. God and that Muhammad is the Messenger of God, may God's prayers and peace be upon him, God is the Greatest, the Greatest, and praise be to God greatly, and there is no god but God alone. He has fulfilled His promise and helped His servant and defeated the parties alone, servants of God. We gather in this place for the honor of time in it, the blessed Eid al-Adha, which May God make it an occasion for Muslims to be happy with it, and to rejoice in God's grace and mercy, that the Eid begins with takbeer, cheers and glorification, witnessed by the rich and the poor. Abominations, O Muslims, Al-Adha is the day of sacrifice, redemption, joy and serenity, in which God enacts the Sunnah of our master Ibrahim - peace be upon him - when he tested him and ordered him to slaughter his son Ismail - peace be upon him - so he complied with the command of God, so the father agreed and the son agreed. God - Glory be to Him To- Nabih Ismail with a great ram from heaven.

O Muslims, Eid al-Adha is closely related to the ritual pilgrimage, as the Hajj season ends with the guests of the Most Merciful with the remembrance of God, thanking him, and magnifying Him. Muslims after the Eid prayer spread across the land, so whoever wants to sacrifice, let him hurry with it, so that he will be among those who hasten to do good, and hastening with it after the prayer is better and more rewarding with God. On your feast, and increase the remembrance of God and his supplications, we ask God Almighty for me and you to forgive us our sins and extravagance in our command I say this and ask God's forgiveness for me and you, and every year and you are fine.
