Standing in a line at checkout counters at the supermarket. Listening to people talking on phones in restaurants. It's annoying. When people talk on their cell phones and drive. Rushing to phone and out it's a telemarketer who's calling. People who lost weight now and try to control what others eat. People who are always late, and don't apologize. When salespeople try talk you into buying something you don't want or need. People who don't say "Please" or "Thank you". When people enter a door or an elevator and don't hold it open for the others who are right behind them. I can't stand people who chew with their mouths. People who borrow stuff without give it back. People who don't give up their subway or bus to seats seniors or to those with disabilities.
