Hello,

Please don't worry. Email your friend and ask him/her to scan the pages you need and send them to you.

Hi,

Why don't you go ahead and tell me what you are having difficulty with. Just tell me which are the relevant pages in our Math book so I can check. I will call as soon as I work things out and help you myself.

Hello,

No need to be desperate. You left it on the shelf with the science books when Sabah turned up. Don't you remember? Anyway, I picked it up and put it in my bag. I'll give it to you tomorrow morning at school.

Nouns: father, son, university, course, problem, decision, prospects, salary, perks, cost, size, location

Verbs: consider, think about, change, make a choice, decide.

Adjectives: careful, the best, suitable, challenging, well-paid, exciting, fast, large, spacious

You'd better think carefully about what you want to do.

Why don't you decide according to your skills, background and preferences?

I would advise you to search for a small flat near the university.

You should prepare for the interviews. I would be very happy to help you rehearse.

You ought to buy a car that is reliable, and not the fastest.

You don't need a spacious house until you have your own family. You'd be better off buying a smaller flat.
